# **Workforce Pell: A Catalyst—and a Test—for Lifelong Learning**

# Data-Ready Credentials: Navigating the New Landscape of Workforce Education

New regulations like Workforce Pall and state demands require higher education to prove the value of non-degree credentials with hard data. However, fragmented systems and inconsistent definitions create significant roadblocks to tracking learner outcomes.

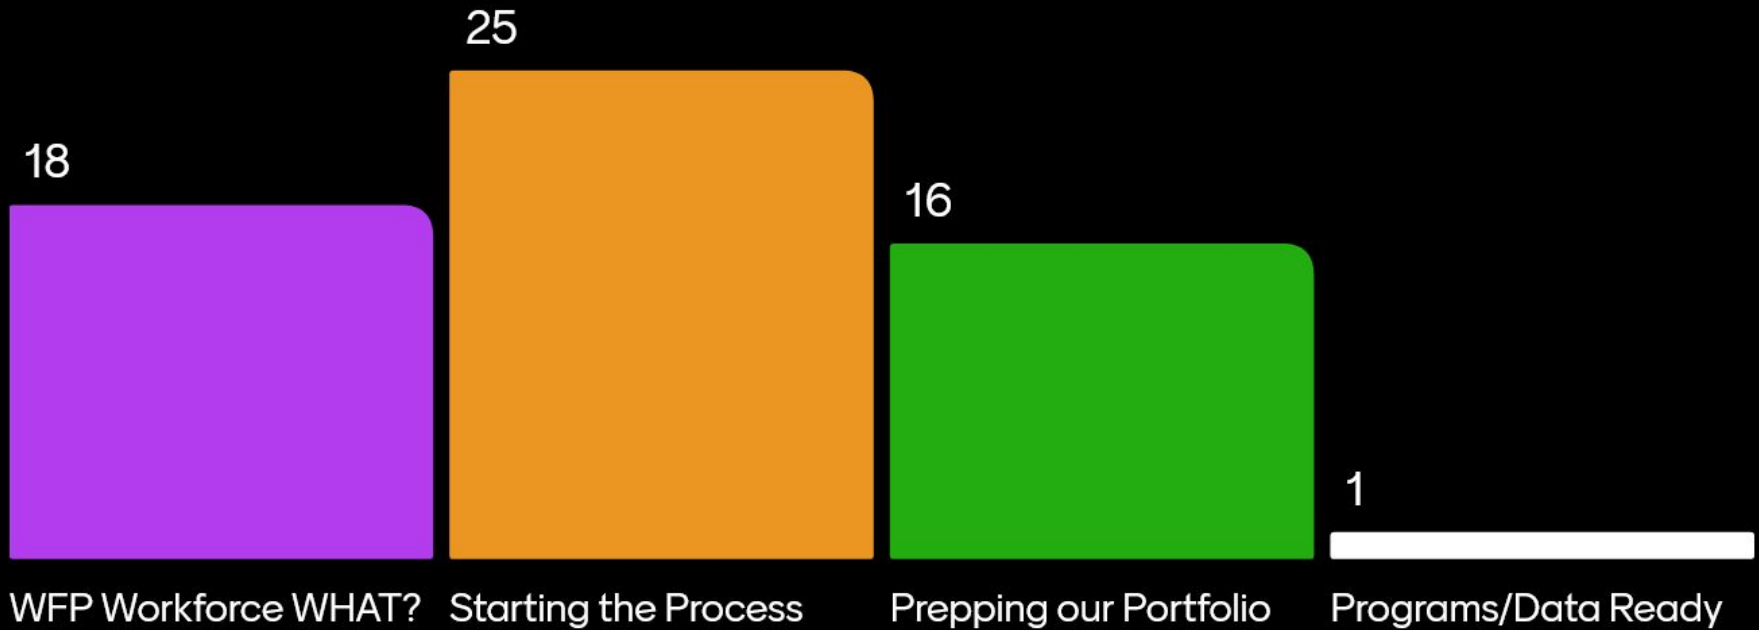

## The Data Dilemma: Key Challenges in Credential Tracking

## The Path Forward: A Framework for Data Readiness

## Where are YOU at with Workforce Pell Preparations

# UPCEA Workforce Pell Readiness Framework

- **Programs: Design workforce-aligned, eligible credentials**
- **Data: Track completion, placement, and earnings**
- **Governance: Align financial aid, registrar, and leadership**
- **Student Supports: Ensure access, advising, and success**
- **Compliance & Policy: Meet federal requirements and reporting**
